Dear Parents

### Highlights of the past week

#### **Penryn / Uplands Derby**

It was wonderful to host the Derby on our own fields for the first time this year – what a fine set of facilities we have. Although the boys and girls hockey had to be postponed due to waterlogged fields, we had the best spectator turnout ever. Thank you to our moms, dads and scholars for making the day the success it was. Well done to Uplands for their results. I addressed these with the College on Monday. We were sleepy and complacent and were found out. There is lots to work on. Results were:

		<b>PC</b>	<b>OP</b>			<b>PC</b>	<b>OP</b>
<b>Netball</b>	1st	22	27	<b>Rugby</b>	1st	7	24
	2nd	11	20		2nd	12	33

#### **Boys and Girls Hockey vs Uplands College**

The girls hockey matches will be played at Penryn on Tuesday, 20 April at 15h00. The boys hockey matches are still to be decided.

**Important point:**

The Easter holiday is one that is likely to be characterized by a number of sport tours in the College (there were 7 tours this year during this period). These would be primarily for the A sides. Details are however, not finalized as schools have not made them! Please consider this before booking holidays over this break – especially if you have a child who is likely to make a team. When saying this we have taken into consideration and also understand that this is a time that is common to all family members, and apologise in advance. It is advantageous for our sportsmen and women to take part in these festivals, which is why we continue to take part in them.

**2010 Polio and Measles Campaign**

The Health Department will be visiting the school shortly to immunize the children against measles as part of the 2010 Polio and Measles Campaign. Ideally I would suggest that all scholars be immunized, particularly given the recent outbreak in the region. However, it is voluntary, particularly (15 and under) where it has already been done. Consent forms will be sent out next week.
