

Penryn College

Dear Parents

Term dates – 2011.

Please note that these dates replace all others and are the final dates for 2011

Thank you to those parents who gave comment on the proposal for new dates. Accordingly the dates for 2011 are

Term	Dates
Term 1	18 th January to 18 th March inclusive
Term 2	Monday 11 th April to 1 st July inclusive – the 4 th April is no longer the starting date
Easter break	Friday 22 nd April to 2 nd May inclusive
Youth Day break	16 th to 19 th June inclusive
Term 3	26 th July to 23 rd September
Women's Day break	6 th to 9 th August inclusive
Term 4	11 th October to 7 th December inclusive

The only change is that the start of the second term is no longer on the 4th but the 11th. We understand that this takes 4 teaching days out of the year. Given the disruption that would have been caused by all the College sport teams that would have been away however, it has been decided to go for the later date. To minimize the disruption caused by this a structured timetable of work will be given out to all scholars. This will detail work that will be done by scholars and given in after the break. Full details of this will be issued during the course of the first term.

Thank you for your input into this matter and for your understanding

Sincerely

Greg Theron
Executive Head
