Dear Parents

Christmas Market

What a wonderful occasion the Christmas Market was again this year. The Food Faire added an amazing new dimension this year and it was also noticeable how many more Dads attended. On behalf of the school I would like to thank Michelle Niemand and her committee for an incredible job. They have really brought so much credit to the school and all of them can feel very proud and self-satisfied with a job exceptionally well done.

Michelle could not have managed without the wonderful support of so many Mums and Dads and to each of them we also owe a huge debt of gratitude. So many willingly helped make the Market this year the best ever and I thank each one of you for your enormous contribution to our school.

The children's play area also added a new dimension and I thank Sandy Rae for her efforts in this regard. It was wonderful for the children to have their special space.

Finally thank you to all the parents who supported the market so splendidly. Without your financial support the market would never be the success it is.

Yours sincerely

John Lees
Headmaster
