## SQUASH

All the squash courts in the Lowveld were buzzing with players from all over Mpumalanga this last weekend as we hosted the Mpumalanga Junior Squash Championships and trials. The ages ranged from 9 years old to 18, and most of the children played about 5 or 6 matches each. A group of enthusiastic and hard working Penryn parents saw an opportunity to run a tuck shop for the weekend, in order to kick off the Penryn Squash Complex fund raising initiative. Out of a group of 7 /13 girls 6 are from Penryn, and all of them qualified for either the Mpumalanga A or the B team to play in Bloemfontein in April at the Country Schools Interprovincial tournament. 3 U/13 boys also made it through as well as 1 U/16 girl, 1 U/16 boy and an U/19 boy. Well done Penryn!! 12 out of a total of 31 Lowvelders is excellent!! After wrapping up the weekend with prize giving, and certificates for the new MP players, it was the parents' turn to tally their takings – and what a success it was! R3235.00 has been deposited to get the ball rolling.

**A big thanks goes to those parents for their wonderful effort and enthusiasm!**
