Penryn Preschool

The happiest place on campus.

REIMAGINING EDUCATION

*Penryn Preschool,
where curiosity leads the way.*

We're not a Daycare.

Penryn Preschool is a boutique offering for discerning parents who know what's best for their children; for parents who understand that the first six years of life matter most.

GIVE YOUR CHILDREN
THE START THEY DESERVE

At our Preschool, we implement the Reggio Emilia approach, which urges us to recognise children as social from birth, full of curiosity and imagination, and having the potential and desire to find connections and meaning in all they experience. This is what ultimately fuels their life-long love of learning. Each child is able to reflect upon, and contribute to, their own learning through their unique 'languages' of expression and communication. Reggio Emilia is a world-leading innovation in Preschool education.

The Reggio Emilia
Approach to Learning

Africa
**Reggio
Emilia**
ALLIANCE

Our teachers are not just ECD practitioners; they're degreed professionals invested in your child's development.

Spacious, outdoor natural playgrounds, where kids are free to explore and learn.

Penryn is more than just a school. Join a caring, happy community of parents, staff and scholars.

Half-day and full-day options, with healthy lunchboxes available daily.

We recognise the diverse ways in which our children learn and express themselves, beyond traditional academic measures.

Free, on-campus swimming lessons in our Learn-to-Swim pool.

Emphasis on creativity, language development and self-expression.

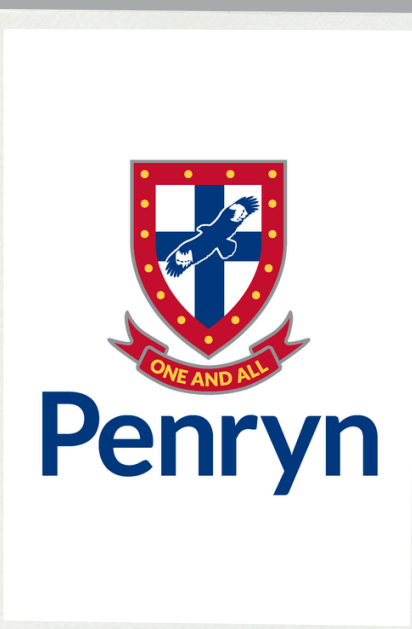

Specialist music and physical education teachers included, and a range of exciting 'extras' to choose from on campus.

Our Preschool is the happiest place on campus, with our little ones ranging in age from 2 years to Grade R.

Smiles are our end-game because we believe that happy children learn best.

Believe. Belong. Become.

*Penryn Preschool, where
little hearts learn, laugh,
explore and belong every
single day.*
